Banner 4 × 8 ft

FRONT

Document size with bleed: 50 × 98 in · finished size 96 × 48 in

Blue line = trim (where it is cut).

Dashed green = safe zone (keep text at least 2" in from the cut).

Design on a layer above this template, then hide it before you export your PDF.

Built at full size. Images should be at least 100 dpi at this size.
